## Clifty Falls State Park

Nature center hours: Wed.~Sun. 12pm~4pm 812/273-0609  
Park admission Fri-Sun & Holidays: \$5/ IN plates; \$7/out-of-state.  
*Programs designated HP/HP promote Healthy People and Healthy Parks!*

### Saturday April 4

**10am Muddy Tunnel Tour** Bring lights and explore Clifty's 1852, abandoned railroad project. It's muddy, wet walking! Meets at Oak Grove. *HP/HP*

**7pm The Natural Heritage of Indiana !** One hour award winning documentary on Indiana's natural features. Film spectacular in high definition at the Nature Center!

**Nature Center closed Friday April 10.**

### Saturday April 11 "Wildflower Weekend!"

**10am The Earth Laughs In Wildflowers!** So... this hike promises to be hilarious! Semi- rugged; 90 minutes, meet at Hoffman Falls, *HP/HP*

**2pm Blooming Beauties!** Get acquainted with Spring's stunning beauty just beyond the park roads. Special 60 minute hike meets at the Nature Center. *HP/HP*

### Easter Sunday, April 12

**2pm Wildflower Joy!** For a few weeks in spring the earth laughs in flowers, especially larkspur! See the joy in an hour's hike from the Nature Center. *HP/HP*

### Saturday, April 18 "Kite Fly Festival!"

**10am Kite Making Workshop** Make your own "sled kite" courtesy of the Hoosier Kitefliers Society with the Claycomb and Orr families. At the Nature Center!

**1pm Kite Fly!, Awards!** Starts with a brief message on birds of prey... in the north play field just inside the SR 62 north gate. Participating kites and lines must be made of materials which do not conduct electricity.

### Saturday, April 25

**9am Talkin' Turkey Bird Walk** Easy roadside walk for gobblers in strut, hawks aloft, and towhees below. Sixty minutes to Poplar Grove and back meets at the Nature Center. Binoculars and field guides very helpful but not required. *HP/HP*

### Sunday, April 26

**2pm Friends In Low Places!** Between the snakes, lizards, turtles, frogs, toads, and salamanders.. we have some fantastic "friends in low places"! Get some face time with all our friends at this live presentation at the Nature Center!
